ABOUT THE PROJECT

The main aim of this TC is to involve youth workers and youth leaders from different backgrounds in the development and creation of different educational games, activities, and tools focused on improving language competences.

This TC has some **specific objectives** among which we highlight

use of different digital and analog tools in order to promote youth empowerment

contribution to the professional and personal development of youth

raising youth awareness of fighting radicalization and xenophobia

HOST ORGANIZATION

Fundacja Centrum Aktywności Twórczej is a non-governmental organization operating in Leszno, Poland, promoting the demands of non-formal education, key competencies, attitudes of openness, and equality of life in a multicultural society. The Foundation is active in the field of building local activity and spreading European values – in particular, the attitudes of tolerance, openness, and respect for human rights.

karolina@fundacja-cat.pl

OUR TRAINERS

Karolina Kosowska: local and international projects coordinator, consultant of the Regional Point The Information Eurodesk Poland. Within the project, she will be responsible for the recruitment process, logistic project preparation, contact with the partner organizations, learning assessment, and evaluation.

Alexander Jbeily: trainer, consultant, organizer. He volunteers with Humanitas and also helps run a "brick-and-mortar" board-game store. Within the project, Alexander will be responsible for most of the educational and experiential content; he has also been responsible for the writing and preparation of the project since early 2020.

PRACTICAL INFO

Every participant must have health insurance for the full duration of the training course.

Only actual expenditure/tickets will be reimbursed, no pre-payment for tickets not purchased. The project doesn't cover travel by taxi, or any private means of transportation (no private car).

Every participant must attend the full duration of the activity.

Only on the shortest way from the departure to the venue place will be reimbursed up to Erasmus+ distance calculator. Over stops for more than 12 hours will not be reimbursed.

What to bring: EU health insurance card, all the needed documents.

COVID REGULATIONS IN POLAND

Every participant must attend the full duration of the activity.

Rules for travellers coming to Poland from the Schengen area

Travellers will be quarantined unless they present a negative COVID-19 test result. The test will need to be taken no later than 48 hours before crossing the border. Type of test: PCR or antigenic. Travellers who have been quarantined in Poland will be able to take a test (in the first 24h), the negative result of which will exempt them from quarantine.

Vaccine exempts from quarantine

People vaccinated with COVID-19 will be exempt from quarantine. This will apply to people who have been certified as having received a protective vaccination with a vaccine that is authorised in the European Union. Two doses are required.

COVID REGULATIONS IN POLAND

Every participant must attend the full duration of the activity.

There are uniform safety rules across the country.

The obligation to wear masks in the open air has been abolished. It is still compulsory to cover the nose and mouth with a mask in enclosed spaces, e.g. on public transport, in shops, cinemas and theatres.

Outdoor catering (open-air restaurants): distance between tables (every second table may be occupied, the distance between tables must be at least 1,5 m – unless there is a barrier of at least 1 m between them, counting from the surface of the table)

In-house catering – (inside restaurants): maximum occupancy of 50%; distance between tables (every second table may be occupied, the distance between tables must be at least 1.5 m – unless there is a partition wall at least 1 m high from the table surface).

Hotels – open to guests: max. 50% occupancy of the facility; open restaurants and wellness&spa area.

ABOUT THE SUPPORT

Co-funded by the
Erasmus+ Programme
of the European Union

This project is funded by European Commission through ERASMUS+ Program, under Key Action 1 “.

The European Commission, the European Parliament, and the Member States of the European Union have agreed to establish the ERASMUS+ Program, which puts into effect the legal framework to support non-formal learning activities for young people.

The program will run from 1st June 2020 to 31st October 2021.

Find more about it on http://ec.europa.eu/youth/index_en.htm.
